January 2023

Greetings,

Please take the time to renew your membership for 2023. We have maintained the membership fees at the current level of \$15 per person, \$20 per family, and \$30 per business. Some businesses took advantage of the 5 year/\$100.00 membership and we welcome them to the LPSA team!

We have kept our membership fees low, to encourage new members to join our organization and learn about all we do to protect the health of lakes in our area. However, our membership dues cover only about half of our expenses. Please consider making a donation to LPSE, our 501c3 entity. All donations are tax deductible. Donations can be made to our LPSE General Fund, which helps to cover our annual expenses, or to the LPSE Kathy Huber Memorial Fund, which holds funds in reserve to allow us to respond quickly if we discover an invasive aquatic plant in our lakes in the future. The threat of invasive species is growing so please help with Donations to the Huber Fund which are generously matched by John Huber.

Membership fee payments and donations can be made by check, or on our web site, using either a credit card or a PayPal account (www.LPSA-NY.org)

Please note that a renewal form and return envelope will not be mailed to members unless a donation was made previously. If your e-mail, address, or phone number has changed, please include that information when you send your membership payment.

We thank you for your continued support to help LPSA protect and preserve the health and beauty of all lakes in the Town of Lake Pleasant.

*Feel free to contact us with any questions or concerns.
