January 2025

Greetings and Happy New Year!

We wanted to take this time to encourage you to renew your membership for 2025 and continue to partner with us to keep our lakes and environment as pristine and healthy as possible. **The membership fees are \$15 for a single membership, \$20 for a family membership, and \$30 for a business membership.**

The LPSA Board of Directors strives to keep the membership fees low to encourage new members to join our organization and be part of the effort to protect the health of lakes in our area.

However, membership dues cover only about half of our expenses. Please consider donating to LPSF, our 501c3 entity. All donations are tax deductible. Donations can be made to our LPSF General Fund, which helps to cover our annual expenses, or to the LPSF Kathy Huber Memorial Fund, which holds funds in reserve to allow us to respond quickly if we discover an invasive aquatic plant in our lakes in the future. The threat of invasive species is growing so please help with Donations to the Kathy Huber Fund which are generously matched by John Huber.

Membership fee payments and donations can be made by check, or on our web site, using either a credit card or a PayPal account (www.LPSA-NY.org)

If your e-mail, address, or phone number has changed, please include that information when you send your membership payment.

We thank you for your continued support to help LPSA protect and preserve the health and beauty of all lakes in the Town of Lake Pleasant.

Feel free to contact us with any questions or concerns.
